OUTING BURNED

Many Maysville people have been asking in the past few weeks whether or not the little pleasure boat "Outing" would run excursions from this city this summer. We were talking with one of the owners several days ago and he informed us that the boat had burned soon after being sold by himself and his partner to some Frankfort men. Many enjoyed trips on this splendid little boat last summer and will be sorry to hear of its burning.

TRIAL POSTPONED

Carlsale, Ky., May 21—The case of Commonwealth of Kentucky versus Jesse Hughes was continued until the September term of court this morning. The defendant was unable to enter trial on account of absent witnesses.

DEATH CERTAIN

A NEW POLICY

Work like this, John Sample, age 35, pays \$29.16 per thousand, which will be reduced by 1917 dividends \$5.22, upon payment of second premium, making the net cost \$23.94. Policy will contain total and permanent disability benefits, which means, first, waiver of premium payments on policy during disability, and company will pay the insured \$100.00 per year while disabled, then the face of policy, \$1000.00 at death; disability means loss of eyesight, loss of both hands, loss of both legs, loss of one hand and foot, loss of mind, total loss of body power from paralysis or disease.

Tires that did not require setting in thirty years—on a Studebaker

WHEELS are the life of a wagon. Hubs, spokes, felloes and tires of the best materials, put together by skilled workmen, go into every Studebaker.

What is the result? Mr. William H. Horton, of Nineveh, N. Y., writes that the tires on his thirty-six year old Studebaker farm wagon did not need resetting in thirty years—and the wagon was in use every day.

We can prove to you that this is not an exceptional Studebaker wagon. There are thousands of Studebaker wagons in use today that are forty years old and more. And that have cost their owners little or nothing for repairs.

Come in and look over our stock of Studebaker vehicles. Let us show you how well they are built.

Studebaker wagons represent investments, every time

GOVERNOR'S VISIT

To Mason County Will Mark the Opening of One of the Greatest Health Campaigns Ever Waged.

Tomorrow, Wednesday, will mark the official opening of the Sanitary Survey of Mason county, and on that day Governor A. O. Stanley, of Kentucky, one of the most prominent health workers in the state, will be present in this city to open the campaign. This day will be one to long be remembered in Mason county.

The history of the offer of the State Board of Health several months ago to give a dollar for every dollar raised by Mason county people for health work and later the offer of the United States Public Health Service to give an additional two dollars, making a total of three dollars for each one raised here, is well known to every citizen of the county. The campaign was started at once and the fund steadily grew until the goal was reached.

The opening of the Sanitary Survey was set for the first Monday in the month but on account of the non-arrival of materials to be used it was postponed. The question was then raised to bring the Governor to Mason county and he was asked as soon as possible to visit us. He consented and will be present tomorrow afternoon, coming from Frankfort, together with his secretary and other officials by automobile.

Dr. L. L. Lumsden, surgeon general of the United States Public Health Service arrived in this city yesterday and will remain over Wednesday. He will deliver an address on the subject of the importance of the Conservation of Health and Welfare. Governor Stanley will speak along the same lines. Both gentlemen are well versed in health subjects, the former having been with the government for a number of years, the latter being identified with state work in the Tuberculosis Commission.

The place of holding the big meeting was at first placed for Beechwood Park, but later it was decided to hold the meeting in the Washington Opera House in order to give greater seating capacity. The meeting will begin at 2 o'clock.

Proceeding the meeting a big parade will be held on the streets of the city. All of the citizens of Maysville are invited to be present but special invitation has been extended to the City Council and other city officials, the Mason Fiscal Court, the Mason County Woman's Club, the Mason County Health League, the physicians of the city and county, the pastors of all other churches, the Chamber of Commerce, the Settlement Club, the Red Cross Workers and the various other organizations of the city and county. A band has been secured for the occasion.

Those taking part in the parade are requested to be present at the Woman's Club building on Sutton street, promptly at 1 o'clock tomorrow afternoon. The line of march will be as follows: South on Sutton to Third street, East on Third to Market, North on Market to Second and West on Second to the Washington Opera House, where the big meeting will be held.

COMMITTEE MET

The Proposition and Grievance Committee of the Maysville City Council met last evening in the Council Chamber for the purpose of discussing the matter of purchasing a filing cabinet for the City Clerk in which to keep records of the city. After some discussion the committee decided to adjourn, having done nothing.

NOTHING HEARD FROM POE GIRL

Nothing so far has been heard from Alma Poe, the girl who disappeared from her home on Beasley Creek on last Thursday night. The bloodhounds brought to Mason county from Lexington were unable to trail the girl, the scent having become cold. The reward of \$100 for her recovery is still in force.

PIANO TUNING

Mr. E. C. Shearer, Piano Tuning Expert of Cincinnati, will make his semi-annual trip for one week only, beginning Monday, May 28th. Leave orders with Miss Lida Berry or Central Hotel.

PUBLIC SALE

The sale of the Hectorville Creamery with ground and buildings will take place Saturday, June 2, on the premises.

Councilman Godfrey Hunsicker's condition is reported as about the same this morning. He was stricken a second time on Saturday night.

The Maysville Model Creamery is paying \$20 a pound for butterfat this week.

STRODE-DIXON

Tomorrow, Wednesday evening, at 9 o'clock the marriage of Miss Mary Evans Strode, the interesting and attractive daughter of Mr. and Mrs. L. Gay Strode, of Lexington, to Mr. Paul Everett Dixon, a very promising attorney of Bowling Green, Ky., will be solemnized at the home of the bride's parents on Forest avenue.

As said before, the Rev. Dr. J. W. Porter, of the First Baptist Church, and the Rev. Mark Collins, of the Broadway Christian Church, will be the officiating ministers. Mrs. Alanson Trigg, of Glasgow, the sister of Mr. Dixon, will be matron of honor and his brother, Mr. James A. Dixon, of Bowling Green, the best man.

The bridesmaids chosen are Misses Ernestine Perry and Carrie Lee Jones, the ring bearer, little Miss Charlotte Walker Trigg, of Bowling Green, the ribbon bearers, Miss Altha Thompson and Mr. Owea Reynolds; the groomsmen, Messrs. Preston Cherry, of Morgantown, and S. A. Greer, of Bowling Green.

After the wedding the bridal couple will go for a trip and will be at home in Bowling Green.

Dr. John T. Strode, Mr. and Mrs. W. Hall Strode and family, Mr. and Mrs. W. Houston Hall and Mrs. Howard Curtis and daughter will leave for Lexington Wednesday morning to be present at the wedding.

VALUATION OF CORPORATIONS

The State Board of Valuation and Assessment at Frankfort has made the following assessments on Maysville corporations: Maysville Water Company, \$88,690; Mason County Telephone Co., \$10,000; Maysville Street Railway and Transfer Co., \$60,558.

THREW ROCKS

In Police Court yesterday afternoon, Nannie Johnson, colored, was fined \$15.50 for breach of the peace. The dusky dame was throwing rocks at a man on Front street Sunday night, one going through a screen door of a house.

WILL OPEN MEAT STORE

Mr. Ed Swartz will shortly open a meat store in the Neptune Fire Hall on East Third street. Mr. Swartz has had much experience in the meat business, having owned several stores in this city. His many friends wish him much success in his new location.

ALUMNI ASSOCIATION

There will be a meeting of the Alumni Association at the High School Building, Tuesday, May 22, at 7:30 p. m.

Mr. Lisle Threlkeld has been elected president, George Burrows, vice-president; Amy Baugh, secretary and Marian Daly, treasurer. Mr. Threlkeld has appointed the following committees to prepare for the banquet and dance, scheduled for Friday night, June 15: Banquet committee: Miss Frances Giesel, chairman, and Mrs. George Ballou; Program committee: W. H. Rees, chairman, S. F. Reed and H. T. Miles; Dance committee: Joe Calvert, chairman, Miss Thelma Kirk and Ashby Porter; Committee on Decorations: Miss Mae Liston, chairman, George Redman and Mary Parker; Publicity committee: Franklin Slye, chairman, Harry Purnell and Newell Steckley.

At this meeting Tuesday night, we hope to have quite a number of the Alumni in attendance. We are anticipating the best year in the history of the Alumni Association and need the help of all.

GOOD FALL TRADE IN PROSPECT

The merchant who permits himself to be discouraged by talk of bad business growing out of the war and fails to prepare for a fine fall trade is more than likely to be sorely disappointed.

Good judges of trade prospects are of the opinion that the fall of 1917 and the seasons of 1918 will be the best that the merchants of this country will have ever seen.

In sections of the country like Kentucky, where there is always a surplus production of foodstuffs, live stock, tobacco, etc., trade this fall cannot fail to be brisk. When money is plentiful, people spend it freely. This makes for extraordinary demands for everything, high prices and good profits.

If money is not plentiful in the United States, in all channels of trade, during the ensuing months, and maybe for some years, it will be because the people will hoard it to a degree never before known. Billions of dollars will be spent in this country for food and supplies of all sorts for the armies in Europe. In addition to this, our own government, for the first time in over a quarter of a century, will be raising a great army and building a tremendous navy, and preparing for war on a large scale. This also will place into circulation huge sums of money which heretofore have not been available in ordinary channels of trade. This money will naturally flow in all directions and wherever people have supplies of any description to sell there will be good markets.

Inflation of course means high prices, speculation, extravagance, but in such times there is also opportunity for the cautious business man and the frugal citizen to accumulate saving to lay aside for the proverbial rainy day, which always comes around, sooner or later.

In no way is the public spirit of a town's population more accurately determined than by the character of its public buildings, public works and public institutions; and the person who is utterly devoid of public spirit would not knowingly invest his money in a community composed of citizens like himself. When investing his money away from home he knows well enough the value of public spirit as manifested in the building of good churches, good schools, good roads and good stores; but he somehow can not see its value at home, and he will oppose with his vote and influence every public improvement that involves expense to him.

WOMEN DOING MEN'S WORK

One of the most striking results of the great war in Europe, is the extent to which women are doing the work of men. Travelers to England and France report that practically every able-bodied man is in uniform and women by the thousands are engaged in doing men's work—acting as conductors and drivers on the cars and doing all sorts of heavy work besides. This shows unexpected possibilities in what has been mistakenly called the weaker sex. Women are subject to ailments which men do not have, and when so ailing become weak, helpless sufferers. But a remedy has been found. For forty years, Lydia E. Pinkham's Vegetable Compound has been making such women well and strong, and as able to do work as any other woman.

REGISTRATION DAY
Served All Over the Commonwealth—June 5—All Male Citizens Between Ages of 21 and 30 Must Register.

All of the many questions which have been asked by young men as to how the Universal Service Plan for registration which will be held on Tuesday, June 5th, is going to affect them, are answered in the instructions just released by the government and now in the hands of local officials. Some of the most important are as follows and should be carefully noted by every citizen:

The work of registration is entirely separate and distinct from selective draft of men for the army. The law requires, under heavy penalty, that every male citizen in the United States, between the ages of twenty-one and thirty, including those twenty-one years old and those thirty years old regardless of his color, station or responsibility, excepting only those who are at this time in the active service of the Federal Government, shall present himself for registration on June 5th.

On the registration card a statement of your dependents if you have any one wholly dependent on you, will be made and also a statement as to the work you are doing at that time. After everyone between the specified ages in the United States has registered on this day the cards will be forwarded to Washington and the government will decide where you can best serve the country.

Remember that there is only one day for registration. The places of registration will be opened at seven o'clock on Tuesday morning, June 5th, and will close at 9 o'clock that night, during which time every man within the age limits must register. Each man who has registered will be presented at the time with an official certificate showing that he has done his duty and after June 5th any man, white or black, between the ages of twenty-one and thirty years who cannot show a certificate of registration is subject to trial and imprisonment of not more than one year.

Instructions as to how the registration cards should be filled out will be posted in conspicuous places in and

near the places of registration and every one is instructed to read them carefully before registering as a heavy penalty is imposed on anyone who makes a fraudulent registration through either forgery or otherwise.

The fact that you must register does not necessarily mean that you will be given an opportunity to serve in the army. The statement of your age, work, and dependents will be considered at Washington and those men taken who are best suited.

Any question in regard to registration day forwarded to this paper will be answered through these columns promptly and correctly.

THE HOUSE OF QUALITY

GIRLS ARE LURED INTO SLAVERY

Petrograd, May 20—The disappearance recently of many young women of aristocratic families resulted in an investigation which uncovered a widespread plot to lure women and girls into "white slavery" after they had been robbed.

Details of the plan were obtained by militiamen who raided the headquarters of the band where they found most of the missing women, many of whom were under the influence of drugs.

One girl, a member of a prominent family, told how she had been held prisoner and begged to be released. She and others informed the authorities they had been compelled to become drug stores. All had been robbed of their money and jewels.

Many ribbed purses were found in a back room. Most of the victims were between 17 and 19 years old, although several of them were married women.

An Educational Campaign was carried on during the month of December. An exhibit was placed in the Council Chamber, where all could see and read the causes of much disease and pointed the way to health and happiness by avoiding the rocks of filth, dissipation and neglect and embracing pure air, sunshine and proper living.

In March an open Baby Clinic was held and many parents availed themselves of the opportunity for their children. Health talks to mothers were given in various places, the colored population sharing the benefits of the campaign. A trachoma clinic was held at the hospital with Dr. McMullen, United States Surgeon, Public Health Service, and Miss May Hicks in attendance. Our local staff of physicians devoted every effort to give the best service to those of our community who needed the attention. Thirty-three presented themselves for examination, two were operated on, the others instructed and prescribed for.

The County and City Board of Education have worked in behalf of proper school hygiene. Nearly 800 school children received medical inspection in the Maysville, Orangeburg, Parry, Dover, Wedonla and Sardis. On October 1, 1915, the management of the hospital was turned over to the league and much has been done for the poor in the county and city in sickness. A special report of the hospital is forthcoming. A tent was erected on the chalet grounds and equipped with facilities for caring for emergencies.

A ladies' auxiliary to the league was organized with a membership of 24; object is work for the league in whatever capacity needed.

Much sewing has been done for the hospital and a lawn fete was given on the hospital grounds, which was a success in every sense of the word. The Settlement Club furnished funds to paint the children's ward and a bed is to be furnished by them.

WAGERS ON RACES AT STATE FAIR BARRED

Frankfort, Ky., May 19.—"I am determined that there shall be no pari-mutuels and no gambling on races at the State Fair," said Commissioner of Agriculture Mat S. Cohen, who has returned from Washington.

"I have been committed to that view ever since the proposal to institute the pari-mutuel machines was made at the meeting of the board, and my determination has been strengthened by the many letters and copies of resolutions I have found in my mail since I returned. I am hearing from people in all sections of the State. The principle of encouraging gambling at the State Fair, designed to educate the people in thrift and industry, is all wrong, and I won't stand for it," he asserted.

BUTTONS GO WITH EACH HOND BOUGHT

Washington, May 19.—Amounts of subscriptions to the Liberty Loan, it was announced today, will not be made public officially at any time until after June 15, the day on which subscriptions close.

"It is planned by the Treasury Department," says an official statement, "to give out each week the total number of subscribers to Liberty bonds received by this department, the Federal Reserve banks and other agencies. It will be a physical impossibility to give out any totals of the amount of subscriptions until after June 15, the day on which subscriptions close. The Federal Reserve banks are using so many agencies in obtaining subscriptions to the Liberty Loan that necessarily accurate figures as to the amounts subscribed will not be obtainable until the close of subscriptions."

"Every effort will be put forward by the Treasury Department to give to the public all information obtainable on the Liberty Loan. The Secretary of the Treasury, however, wants all information that is given out to be absolutely accurate."

It is understood, however, that the department will be closely advised by Federal Reserve Banks and other agencies from time to time as to the rate at which subscriptions are being received and the total amount subscribed. This probably will be done by telegraph by the various reserve banks, so that after the campaign is in full swing the Treasury Department will be informed from day to day as to its success.

The Liberty Loan button, one of which will go with each bond purchased, has been approved and orders have been given to manufacturers for several million. The contracts for the button were so large that several companies are to handle it.

The inscription on the button reads: "Liberty Loan of 1917" in a red center, upon which is reproduced a picture of Barthold's Statue of Liberty. In an outer circle, on a blue background, "Get behind the Government" will be the inscription.

GREAT FLEET TO CARRY SUPPLIES TO THE RUSSIANS

Washington, May 19.—All available American ships, the seized German liners and all the ships Great Britain can spare from her own needs, probably will soon be carrying war munitions and great quantities of railroad supplies to Russia.

As part of the united effort to hold fast, the Russian Provisional Government against German intrusions, and encourage a Russian military offensive, the Allied War Committees are making preparations to furnish the necessary transportation for supplies to properly equip and maintain the Russian armies. The first problem will be to transport some 190,000 tons of supplies already piled up in the United States and the second will be to keep a stream of supplies moving.

In addition to supplying war munitions, the important railway leading from Archangel is to be equipped with American locomotives and freight cars to bring it to its fullest degree of efficiency in moving the great quantities of material which will pour in during the five months the port is free from ice.

The Russian embassy here has arranged for the railroad equipment and the War Committees are arranging for the transportation. Official announcement probably will be made later.

LOUISVILLE RAILWAY IS VALUED AT \$13,000,000

Frankfort, Ky., May 19.—The State Board of Valuation and Assessment has placed a tentative valuation of \$13,144 on the Kentucky & Indiana Ferry Company, of \$37,206 on the Louisville & Jeffersonville ferry and of \$13,000,000 on the Louisville Railway Company. They will have hearings before final action.

A WORD WITH WOMEN

Valuable Advice for Maysville Readers.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and kidney disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

Then help the weakened kidneys. Don't expect them to get well alone. Doan's Kidney Pills have won the praise of thousands of women. They are endorsed—Read this Maysville woman's convincing statement:

Miss Dora Edgington, Wood St., Maysville, says: "I have used Doan's Kidney Pills and from the results recommend them. At times, my kidneys have become weak and have been irregular in action. My back has ached, too, and has been very weak and lame across my kidneys. When ever I have used Doan's Kidney Pills for this trouble, they have never failed to relieve the complaint in a short time. I gladly advise anyone to get a box of Doan's Kidney Pills at Chanslor's Drug Store, if troubled in that way."

Miss Edgington is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you—don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Miss Edgington had—the remedy backed by home testimony. 50c all stores. SEEN JEWISH REPUBLIC FOSTERED BY ALLIES

London, May 20.—At a conference of the English Zionist Federation of London today the President, Dr. Weizmann, referred to the project of the American Zionists for establishing a Jewish republic in Palestine. He considers the idea premature and declared it was impossible to build a Jewish state until a majority of the Jewish inhabitants had been secured.

While hopeful that the project would be achieved at a comparatively early date, Dr. Weizmann said the idea must be approached by intermediate stages. He believed he was entitled to say, in conjunction with Great Britain's allies, was ready to support plans to found a Zionist state in Palestine.

REUNION IS PROBABLE

Dallas, Texas, May 20.—Formal negotiation looking to a reunion of the two largest branches of the Presbyterian Church—Northern and Southern—is expected to be taken this week by the General Assembly of the Presbyterian Church in the United States of America (Northern), now in session here. Overtures on the same subject are expected from the General Assembly of the Presbyterian Church in the United States (Southern), which is meeting in Birmingham, Alabama.

SEVEN MILLION MEN ALREADY SLAIN IN WAR

London, May 19.—The number of men killed in the war thus far was estimated at 7,000,000 by Arthur Henderson, member of the War Council, in an address today at Richmond. He estimated the total casualties of the war to be in excess of the population of the United States Kingdom. (The population of the United Kingdom, according to the census of 1911, was 43,970,530.)

Price Advance

Competitors have circulated a report that the Ford has advanced \$100.00. This is emphatically untrue and is done merely to help them sell an inferior car for more money. However, I am expecting every day to receive notice to advance the price. All orders are being taken with the privilege of cancellation if price advances. The company has notified me to mail all orders the same day they are placed. It is my opinion that all orders will be filled at present prices if orders are placed at once, but you should not delay the matter a single day. Place your order today and play "safety first."

"SUNNY JIM" TONIGHT

No, his name is not Jim, but his sunny disposition makes those who know him call him "Sunny Jim". We are referring to Rev. William A. Brown, the Sunday School expert, who will give an address at the First Presbyterian Church this evening at 7:30 o'clock. Everyone interested in Sunday School work in any way whatever is urged to attend.

We wish to call the attention of the officers and teachers of the city schools to the conference from 5 to 6 o'clock this afternoon and the luncheon and social from 6 to 7:15. Teachers and officers are urged to be at either or both of these meetings.

Mr. J. J. Lynch, Manager of the Maysville Telephone Company, will leave on Wednesday, May 23, for Louisville, Ky., to attend the annual convention of the Southern State Independent Telephone Association of which his Company is a member.

The convention is scheduled for May 24th, 25th and 26th, and will be held at the Louisville Hotel where special reservations have been made for all the Managers of the Central Home Telephone and Telegraph Company's system of which Louisville is their headquarters. These meetings have been held once or twice a year in Louisville, for several years past.

MR. YANCEY'S FUNERAL
The funeral of Mr. W. H. LEXINGTON FIRE

One of the Most Destructive Ever
Known in the Bluegrass City—
Loss Over \$300,000.

The following is the account of the big fire at Lexington yesterday as told by the Herald:

Fire sweeping like a monster hurricane destroyed business houses on both sides of Church street and the north side of Short street from Limestone to Upper streets and left nearly the entire block in a mass of ruins early this morning. The complete block of buildings, of estimated value totalling \$500,000, was left in a mass of wreckage.

The Porter-Jackson livery building, where the fire started, was left in ashes; the new Eagle Lodge building, owned by A. B. Jones, was destroyed except for the ruins of the brick walls; Merrick Lodge building was caught in the spreading wing of flame and burned like paper, the upper part of which caught first, a complete loss. The First Presbyterian church on Market street was burning fast.

When the fire had backed on Short street and the Lexington Hotel building and Smith-Walkins-Darnaby Company's buildings were caught from the Merrick Lodge building.

The fire started of unknown origin in the Porter-Jackson livery stable and reared its destruction before a call was sent in.

Shortly before 5 o'clock, when it appeared the flames were under control, although the fire still raged fiercely, it was estimated the loss will reach \$500,000. The greater part of one of the most valuable blocks of the city was almost razed, but a few buildings fringing the Upper street side, suffering only from flying sparks, smoke and water.

In the center of the block a monster furnace raged. While the flames were consuming the Smith-Walkins-Darnaby building, boxes of powder and bullets exploded, crashing down several walls, while small caliber bullets flew about in the wreckage. Walls crumbled and crashed down with a roar.

The fire department was called out by George Colis, a Greek restaurant operator. Colis was going home from work and heard two negro boys shouting cries of "Fire! Fire!"

Colis rushed to the Fire Department and had a hard time arousing the force. He leaped up the steps screaming for Chief Jessie. Finally awakened the firemen went with all speed to the scene. All the fire fighting force of the city was called into play. The streams of water, appearing like mid-gest splashes against the mountainous flames were not to combat the destroyer.

Complete figures on the fire loss and the insurance are:

The damage \$359,056
The insurance \$167,900

ATLANTA, GEORGIA'S, BIG FIRE

Atlanta, May 21—Fire that started late this afternoon in an obscure negro section swept a broad path through the residential section of Atlanta, devastating scores of blocks and destroying many of the city's finest homes and hundreds of negro homes. Although the flames were not entirely under control late tonight they had been checked half way through the exclusive Ponce de Leon avenue residence section and fire officials believed there was little danger of a further spread.

First estimates of the damage placed it at between \$2,000,000 and \$3,000,000. So far as could be learned the only life lost was that of a woman who died from shock.

The fire was confined to the north-eastern part of the city and the only business houses burned were several warehouses near Decatur and Fort streets, the point of origin.

A high wind carried the flames northeastward with a speed which soon outran the efforts of the fire department. Within an hour after the first alarm the blaze began to assume the proportions of a conflagration and fire officials called in several hundred business men from the Ft. McPherson officers' training camp to lead in the fight. Appeals for help also brought the fire equipment from a half dozen neighboring cities.

Chiropractic

Adjustments Restore Health Quickly and Permanently
Nature is the Chiropractor's only aid — adjustments release the pressure from the nerves and make the way free for Nature to do her part in sending mental impulses through them to make and keep the body well.

"WIFE WANTED"

"She must be at least thirty-five years of age, weigh 110 pounds; don't have to be good looking at all. Here's your chance, ladies."

The above add was taken from a New York matrimonial paper, whose address will be given upon request. Ladies, buy yourself a CAMERA from "De Nuzie" and prepare to answer this add. This fellow wishes a picture of every lady who answers, so get busy and bring your films to us to be finished and you can be sure that we will make you as good looking in the pictures as possible. We have an expert finisher, who is always on the job. Our prices are cheaper and we give much better work than others. Films bought of us developed FREE. Others charge 10c and 15c per roll. We have cameras from \$2.00 to \$50.00 a piece. We can suit your pocket book. Come in and take a look; it's free.

Mr. Christmas is back on the job, and will take care of your work in the proper way. Always send your work to
